ROCKY FLATS ENVIRONMENTAL TECHNOLOGY SITE  
GOLDEN, COLORADO**

**FORMER AND CURRENT ROCKY FLATS EMPLOYEES  
BERYLLIUM HEALTH SURVEILLANCE PROGRAM  
AND  
HEALTH AND EXPOSURE HISTORY QUESTIONNAIRE**

The information you provide by completing this questionnaire and participating in the Beryllium Health Surveillance Program is confidential. Access to this information will be limited to the Rocky Flats Environmental Technology Site Occupational Medicine and Health Effects Department research staffs, and if required by law to the Department of Energy, and the Occupational Safety and Health Administration. The records may be provided to other organizations within the Company if a legitimate need to know exists, such as the Legal Department for the defense of an action or claim brought against the Company and for which the information is relevant. For those individuals diagnosed with chronic beryllium disease, this information may also be made available to the Risk Manager for Kaiser-Hill, LLC, to allow the site to file an Employer's First Report of Injury for Workers' Compensation.

Your name or other unique identifiers (Rocky Flats employee number, social security number, etc.) will not be used in any reports generated from this study. No future employer (except for any successor Manager and Operator of Rocky Flats), agency, group, organization or person will have access to the information provided by you, unless you authorize it in writing.

---

I have read the description above and voluntarily consent to participate in this study. I understand that I can withdraw at any time from participation without prejudice against me.
